

Borgess: At a Glance

Our Mission, Vision and Values

Mission

Borgess Health, as a Catholic health ministry rooted in the values of Ascension Health and its sponsors, is committed to providing holistic, spiritually centered care, which strives to improve the health of individuals in communities we serve with special attention to the poor and vulnerable.

Vision

By putting safety and quality at the core of all we do, Borgess Health will provide health care that is coordinated across the continuum, based on meeting the needs and expectations of those we serve.

Values

Service of the Poor

Generosity of spirit, especially for persons most in need

Reverence

Respect and compassion for the dignity and diversity of life

Integrity

Inspiring trust through personal leadership

Wisdom

Integrating excellence and stewardship

Creativity

Courageous innovation

Dedication

Affirming the hope and joy of our ministry

Where Careers Become Callings

Want to turn your career into a calling? Through our combination of compassionate care and medical expertise, Borgess has touched hundreds of thousands of lives in unexpected ways.

Here, you'll benefit from a place that not only provides exceptional care for patients, but also exceptional care for you, our valued associate.

We believe in offering those who serve us wide-ranging benefits that benefit their lives—both inside and outside the workplace. For more on how you can truly connect with people to improve the health of your community, visit careers.borgess.com.

The Full Continuum of Care

Offering comprehensive prevention, primary care, advanced treatment programs and rehabilitation services, Borgess Health is one of southwest Michigan's largest health care providers and employers. Borgess Health includes Borgess Medical Center, our flagship hospital, along with many owned or affiliated entities. Our 124-year-old health ministry is a member of Ascension Health, the nation's largest Catholic Health System.
