Objectives:

Identify effective methods for the practical application of concepts related to improving the delivery of services for persons with developmental disabilities at the level of the state.

Identify and emphasize attitudes that enhance the opportunities for persons with DD to achieve their optimal potential.

Develop strategies to promote community inclusion in meeting the needs of persons with developmental disabilities.

Identify strategies to promote safety and independence in the community for people with developmental disabilities.

Identify curricula to help people with developmental disability to develop safe and healthy relationships.

Notes:
