Music Therapy and Developmental Disabilities: What You Need to Know

Caila Conklin

cailagconklin@gmail.com

Objectives:

Identify effective methods for the practical application of concepts related to improving the delivery of services for persons with developmental disabilities

Identify and emphasize attitudes that enhance the opportunities for persons with DD to achieve their optimal potential

Develop strategies to promote community inclusion in meeting the needs of persons with developmental disabilities

Determine potential benefits and outcomes of integrating music therapy into treatment planning

Identify goals and objectives that can be addressed with music therapy sessions

Define music therapy and its scope of practice in regards to individuals

Notes:
