Concussion: What do we know??

Mat Saffarian
saffaria@msu.edu

Objective:

Identify effective methods for the practical application of concepts related to improving the delivery of services for persons with developmental disabilities

Identify advances in clinical assessment and management of selected healthcare issues related to persons with developmental disabilities

Identify and emphasize attitudes that enhance the opportunities for persons with DD to achieve their optimal potential

Develop strategies to promote community inclusion in meeting the needs of persons with developmental disabilities

Notes:
