Five Year Listing of Scholarly Activities

I. PUBLICATIONS

- Greydanus DE, Tareen RS: Preface, pp. xxix-xxxvi, ibid
- Feinberg AN, Shwayder TA, Tareen RS, Tempark T: “Perspectives on management of pediatric dermatologic disorders” ibid., Ch. 1, pp 3-68
- Tareen RS: “Psychoneuroimmunology and other interactions between skin and psyche” ibid., Ch. 2, pp 69-82, ibid
- Tareen RS: “Atopic dermatitis: A psychocutaneous review” ibid., Ch. 5, pp. 119-146
- Kamboj MK, Tareen RS: “Collagen vascular disorders: Psychiatric and dermatologic manifestations.” ibid., Ch. 18, pp 335-360
- Kamboj MK, Tareen RS: “Psychocutaneous manifestation of endocrine disorders” ibid., Ch. 19, pp 361-402
- Kamboj MK, Tareen RS: “Inborn errors of metabolism with psychiatric and dermatological features” ibid., Ch. 20, pp 403-420
- Calles JL, Jr.: “Psychiatric complications of dermatological treatments” ibid., Ch. 21, pp 423-432
- Tareen RS, Tareen AN: “Psychiatric disorders frequently encountered in dermatology practices” ibid., Ch. 24, pp 471-500

Child and Adolescent Health Yearbook 2010, Published, 2012

- Calles JL Jr., Nazeer A: “Depression: Major depressive and dysthymic disorders”, Ch. 15, pp. 201-210
- Nazeer A, Calles JL Jr: “Pediatric bipolar disorder.” Ch. 16, pp. 211-222, ibid
- Calles JL Jr., Nazeer A: “Oppositional defiant and conduct disorders.” Ch. 18, pp. 235-242, ibid
- Calles JL Jr., Nazeer A: “Control of aggression and violence.” Ch. 19, pp. 243-252, ibid
- Nazeer A, Calles JL Jr.: “Autistic spectrum disorders.” Ch. 20, pp. 253-267, ibid
- Nazeer A, Calles JL Jr.: “Schizophrenia in children and adolescents.” Ch. 21, pp. 269-285, ibid
Book chapters in Adolescent Medicine: Pharmacotherapeutics in General, Mental and Sexual Health, (Eds) Greydanus D, Patel DR, Feucht C, Pratt H:

- **Calles JL Jr, Nazeer A**: “Challenging behavior of disruption, violence and cognitive abilities”, ibid.,
- **Calles JL Jr, Nazeer A**: “Adolescence and mood disorders”, ibid.,
- **Nazeer A, Calles JL Jr**: “Adolescence and anxiety disorders”, ibid.,
- **Nazeer A, Calles JL Jr**: “Adolescence and schizophrenia”, ibid.,

**Calles JL Jr**: “Cults”

Greydanus DE, Patel DP; Merrick J; Clinical Aspects of Psychopharmacology in Childhood and Adolescence, New York City: Nova Science Publishers, Inc. (262 pages), 2011:

- **Calles Jr JL, Nazeer A (Eds.):** Child and Adolescent Depression, Chapter 4, ibid., pp 61-69
- **Nazeer A, Calles Jr J (Eds.):** “Pediatric Bipolar Disorder”, Chapter 5, ibid., pp 71-82
- **Calles Jr JL, Nazeer A:** “Oppositional Defiant and Conduct Disorders”, Chapter 7, ibid., pp 95-102
- **Calles Jr JL, Nazeer, A (Eds.:** “Aggressive and Violent Behavior”, Chapter 8, ibid., pp 103-113
- **Nazeer A, Calles Jr JL (Eds.:** “Autistic Spectrum Disorders”, Chapter 10, ibid., pp 129-143
- **Nazeer A, Calles Jr JL (Eds.:** “Schizophrenia in Children and Adolescents”, Chapter 11, ibid., p 145-161
- **Calles Jr JL, Nazeer A (Eds.:** “Cognitive-adaptive Disabilities”, Chapter 12, ibid., pp 163-172

**Calles Jr. JL**: “Cognitive Adaptive Disabilities” Disease-a-Month; 58 (1), 189-203, February, 2011
Articles in the Pediatric Clinics of North America (58), 2011:

- **Calles Jr. JL**: “Psychopharmacologic Control of Aggression and Violence in Children and Adolescents” pp 73-84
- **Calles, Jr., JL**: “Cognitive-Adaptive Disabilities”, pp 189-205
- **Calles Jr., JL**: “Psychopharmacologic Control of Aggression and Violence in Children and Adolescents” pp 73-84

Greydanus DE, **Calles Jr. JL, Nazeer A**: “Special Issue on Pediatric and Adolescent Psychopharmacology” Co-editors; *International Journal of Child and Adolescent Health*, 3(2), 2010

- **A Nazeer , Calles Jr. JL**: “Pediatric Bipolar Depression”, ibid., 3(2):187-195
- **Calles, Jr. JL, A Nazeer**: “Oppositional Defiant and Conduct Disorders”, ibid., 3(2):207-212
- **A Nazeer , Calles Jr. JL**: “Autistic Spectrum Disorders”, ibid., 3(2):221-232
• **Calles Jr. JL, A Nazeer**: “Control of Aggression and Violence”, ibid., 3(2):213-220
• **A Nazeer, Calles Jr. JL**: “Schizophrenia in Children and Adolescents”, ibid., 3(2):233-245

• **Calles Jr JL**: “Common Topics in Pediatric Psychiatry”, Chapter 9, pp 161-178
• **Nazeer A**: “Psychotic Symptoms in Children and Adolescents”, Chapter 10, pp 179-194

Greydanus DE, Patel DR, Pratt HD, **Calles, Jr. JL** (eds.): *Behavioral Pediatrics, – Third Edition*; 2009

• **Nazeer A**: Chapter 6, “Autism Spectrum Disorders”, ibid., pp 79-100
• **Calles, Jr. JL**: Chapter 11, “Attention-deficit/Hyperactivity Disorder”, ibid., pp 159-174
• **Calles, Jr. JL**: Chapter 12, “Oppositional Defiant and Conduct Disorders”, ibid., pp 175-184
• **Calles, Jr. JL**: Chapter 13, “Aggressive Behaviors”, ibid., pp 185-203
• **Calles, Jr. JL**: Chapter 14, “Major Depressive and Dysthymic Disorders”, ibid., pp 205-218

**II. GRANTS**

**Liepman MR, Kothari C, Tareen RS, Wallace N, Aziz H, Tan R**: Establishing a Comprehensive System for Identifying and Treating Perinatal Depression. Funded by the Blue Cross Blue Shield of Michigan Foundation, 9/1/07 to 8-31-09 (Extended to 8/31/2010), tdc: $250,000 plus $207,294 in kind support from the community. Supplemental grants from the Kalamazoo Community Foundation of $35,000, 2009.

**Lagos-Saez M**: Literature research and creation of a lecture to be presented at the annual Alcohol Medical Scholar Program (AMSP) meeting. The topic is “Prescription Opioid Abuse”. Received AMSP fellowship grant for $15,000, 10/1/07 – 9/30/09

**III. PRESENTATIONS**

**Tareen RS, Liepman MR, Kothari CL, Charoth RM, Suchyta-Haas S, Flikkema R, McKeen J:** “Outcome of Perinatal Mood Disorders with Brief Psychopharmacological Intervention.” Poster Presentation at the Biennial Congress of Marcé Society on October 5, 2012 held in Paris, France

- **Tareen RS:** “Perinatal Mood Disorders,” ibid
- **Tareen KN, Liepman MR, Tareen RS, Charoth RM, Flikkema R:** “Does Perinatal Mood Disorder Have a Seasonal Affective Component?” ibid
- **Simmons A, Liepman MR, Tareen RS, Charoth RM, Flikkema R, McKeen J, Kothari C:** “Comparison of the EPDS-3 with the EPDS-10 for Postpartum Depression Screening,” ibid
- **Lord JA, Dunstone DC, Tareen RS, Teshmia J:** “Peer Mentoring Groups.” ibid

**Rose D, Dunstone DC, Karampahitsis C:** “Is Neuroscience Education Relevant to Clinical Training?” Workshop Presentation at the Association for Academic Psychiatry Annual Meeting held in Nashville, TN on October 11, 2012

**Spates R, Ramesh BK:** “Computer Delivered Treatments for Depression.” Presentation to the Mental Health Association of America on October 24, 2012, held in San Antonio, Texas

**Strung, RD, Lenz NJ:** “Inspiring Residents to Comply – A Policy Example”. Presented at the 40th Annual AADPRT Meeting held March 4, 2011, in Austin, Texas

**Lenz NJ, Strung RD:** “Inspiring, Tracking and Reporting Scholarly Activity Using New Innovations” Presented at the 40th Annual AADPRT Meeting held March 4, 2011, in Austin, Texas

**Tareen RS, Miller L:** “Pharmacologic Treatment of Mood Disorders in Pregnancy, Post Partum and Lactation”. Presented at a Postpartum Support International sponsored meeting in Grand Rapids, MI on March 11, 2011

**Lipeman MR:** “Effects of Methamphetamine on the Brain and Body”. Presented at a day-long conference sponsored by St. Joseph County Community Mental Health group on March 11, 2011 at Glen Arbor College in Centerville, MI

**Yessengaliyeva E, Westerman P, Simmons A:** “Pharmacokinetics in aging: An Increase in Valproic Acid to Overcome Interactions with Co-Administration of Rifampin”. Poster presentation at the annual American Association of Geriatric Psychiatry meeting held in Washington, D.C. on March 12, 2011
**Liepman MR:** “Management of Pain and Addiction to Opioids” Presented to the Annual Convocation of Michigan Osteopathic Residents at Cleary College, Howell, MI on April 28, 2011

**Flachier R:** “Treatment of a Child Who Compulsively Put Fingers in His Eyes: A Case Report”. Poster presentation at the 45th Annual Conference of the Association of Behavioral and Cognitive Therapy held on November 11, 2011 in Toronto, Canada

**Tareen RS, Brown R, Strung RD, Randhawa JK, Dunstone DC,** “Utilization of the Electronic Medical Record and Real-Time Video Supervision to Incorporate ACGME Competencies in Ambulatory Psychiatry”; **Dunstone DC** – creator of “Outpatient!” a 19 minute digital video exploring various aspects of the use of a video observation system in a PGY-3 outpatient psychiatry clinic shown during this workshop. Workshop presentation at the American Association of Directors of Psychiatric Residency Training’s (AADPRT) Annual Conference held March 13, 2010 in Orlando, FL

**Calles Jr. JL:** "The Psychopharmacologic Treatment of Aggression in Psychiatric and Developmental Disorders." Presented to the staff of Devereaux Florida in Orlando, FL, September 9, 2010

**Tareen RS, Brown R, Dunstone DC:** “Finding the Balance Between Confidentiality, Right to Privacy and Security of Electronic Information in an Interoperable Psychiatric Electronic Health Record.” One day workshop at the American Association for Academic Psychiatry Annual Meeting held September 22, 2010 in Pasadena, CA

**Majumdar N, Habarth J:** “Mindfulness in Medical Education and Life-long Learning Curricula” Workshop presentation at the American Association for Academic Psychiatry Annual Meeting held September 24, 2010 in Pasadena, CA

**Flachier R, Tareen RS:** “Conceptualization, Development and Implementation of an ACGME Guidelines-Based Cultural Competence Curriculum” Poster and 90-minute Workshop presentation at the American Association for Academic Psychiatry Annual Meeting held September 24, 2010 in Pasadena, CA
Randhawa JK, Tareen RS, Fidler D, Majumdar, N: “Implementation of ACGME Competencies in the Creation of an International Psychiatric Elective and Understanding Relevant Cultural Issues to the Practice of Psychiatry”. 90-minute Workshop presentation at the American Association for Academic Psychiatry Annual Meeting held September 24, 2010 in Pasadena, CA

The following peer selected four papers were presented at the Perinatal Mental Health Research: Harvesting the Potential sponsored by the Postpartum Support International/Marcé Society on October, 29-30, 2010 in Pittsburgh, PA:

- Tareen A, Charoth RM, Tareen RS, Liepman MR: “Exploring the Relationship Between Major Life Stressors and Smoking” (oral presentation)
- Tareen RS, Liepman MR, Kothari CL, McKean JW, Charoth RM, Haas SS: “Impact of Psychiatric Care on Perinatal Mood Disorders” (oral presentation)
- Liepman MR, Kothari CL, Tareen RS, Florian PM, Charoth RM, Sweezy LC, Haas SS, McKean JW: “Community-Wide Intervention Reduces Postpartum Depression through Promotion of Perinatal Screening and Treatment” (oral presentation)

Randhawa JK, Tareen RS, Dunstone DC: “Are International Psychiatric Experiences Worthwhile Experiences?” Workshop presentation at the Association for Academic Psychiatry, Washington, DC, October 2, 2009

Randhawa JK, Tareen RS, Roach RR, Liepman MR, Bedi GK, Reid L: “Validation Study of Edinburgh Postnatal Depression Scale in Madagascar”. Poster presentation at the National Meeting of the Association of Child & Adolescent Psychiatry meeting held in Honolulu, HI, October 27 – November 1, 2009

Randhawa JK, Tareen RS, Liepman MR, Roach RR, Bedi GK: “Perinatal Mood Disorders: Validation of Edinburgh Postnatal Depression Scale and Patient Health Questionnaire in
Madagascar”. Presented at the National Annual Meeting of the Association of Child and Adolescent Psychiatry Meeting (National Meeting), Honolulu, HI, October 30, 2009
